

Coping Catcher How-To

1. Fold each corner of the paper towards the center.

2. When all four corners have been folded, your Coping Catcher should look like this.

3. Turn the paper over so that the folded sides are face down.

4. Then fold all the corners to the center diagonally.

5. Once you have folded in the four corners, write the numbers one through 8 on each of the triangles.

6. Hold the paper in front of you as shown and fold it into a square.

7. Now unfold and fold the square in half horizontally.

8. Open each flap and write something on each triangle. What you write depends on the type of Coping Catcher you have made.

9. Flip the Coping Catcher over and write the name of a color on the flap.

10. Flip the Coping Catcher over so that the numbers are face up. Fold the square in half and slip your thumbs and pointer finger under the four flaps.
